WASTEQUIP - 6030HD - Vertical Baler

6030HD Vertical Baler Wastequip's Most Popular Cardboard Baler

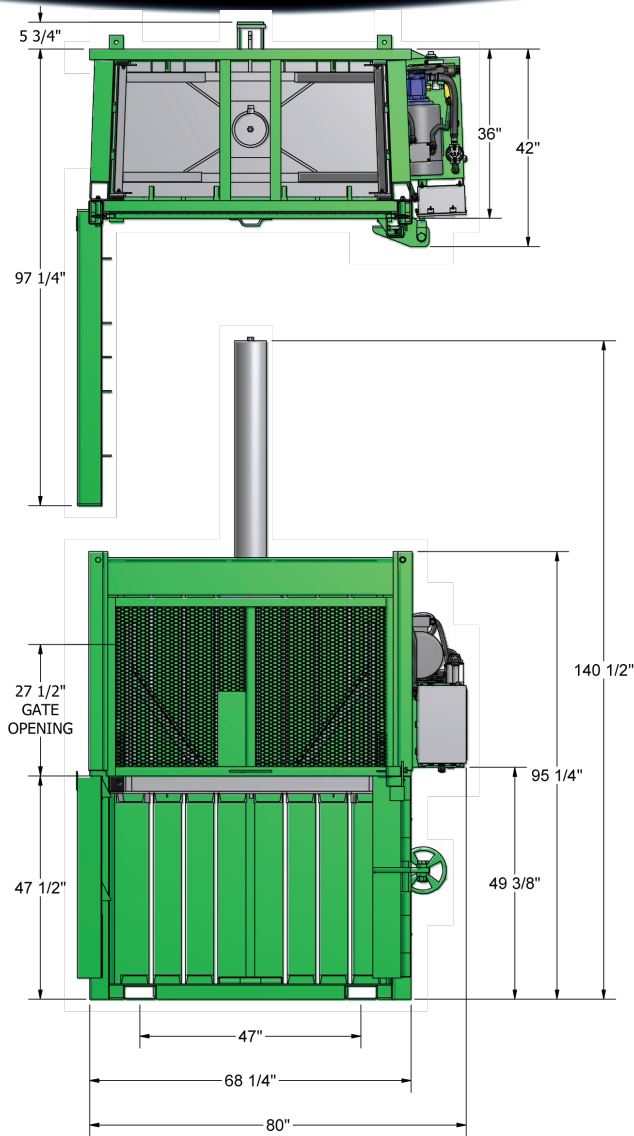

**Safety, high quality, and performance:
You get it all and a great price.**

Wastequip's 6030HD Baler is perfect for your cardboard baling needs. You get a powerful 10HP motor, quick 45 second cycle time, and built-in fork lift pockets. With a height under 8 feet it will fit under most doorways. The 27 1/2" feed opening is the largest in the industry for a 6030HD baler. Combine all that with an eye level side mounted power unit and you have the perfect baler for you, your operators, installers, and service technicians. The best part is you get a great price to go along with all the following standard features.
